SHESEGWANING FIRST NATION

Year ended March 31, 2017

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying consolidated financial statements of the Sheshegwaning First Nation are the responsibility of management and have been approved by the Chief and Council of the First Nation.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Consolidated financial statements are not precise since they include certain amounts based on estimates and judgements. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The First Nation maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

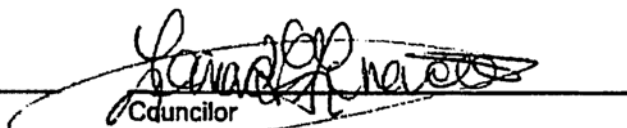

The First Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Chief and Council review the First Nation's consolidated financial statements and recommend their approval. The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the consolidated financial statements and the external auditors' report. The Chief and Council takes this information into consideration when approving the consolidated financial statements for issuance to the Members. The Chief and Council also consider the engagement of the external auditors.

The consolidated financial statements have been audited by KPMG LLP in accordance with Canadian generally accepted auditing standards on behalf of the members.

INDEPENDENT AUDITORS' REPORT

To the Chief and Council of Sheshegwaning First Nation

We have audited the accompanying consolidated financial statements of Sheshegwaning First Nation which comprise the consolidated statement of financial position as at March 31, 2017, the consolidated statements of operations, changes in net financial assets (net debt) and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these consolidated financial statements present fairly, in all material respects, the consolidated financial position of Sheshegwaning First Nation as at March 31, 2017 and its consolidated results of operations, consolidated changes in net financial assets (net debt) and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

SHESHEGWANING FIRST NATION

Notes to Consolidated Financial Statements

Year ended March 31, 2017

Sheshegwaning First Nation (the "First Nation") is located on Manitoulin Island and administers programs and provides services on behalf of its members.

1. Significant accounting policies:

These consolidated financial statements of the First Nation are the representation of management and have been prepared in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada. The following is a summary of the significant accounting policies followed in the preparation of these consolidated financial statements:

(a) Reporting entity:

The reporting entity includes the activities of all committees of Council under the control of the First Nation including Odawa Stone Limited Partnership ("Odawa Stone").

Odawa Stone is accounted for using the modified equity method. Under the modified equity method, the business enterprise accounting policies are not adjusted to conform to those of the First Nation and inter-organizational transactions and balances are not eliminated.

(b) Revenue recognition:

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under the funding arrangements which relates to a subsequent fiscal period is reflected as deferred revenue on the consolidated statement of financial position.

(c) Consolidated revenue trust funds:

Trust funds arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the office of the Auditor General of Canada.

Funds held by the Government of Canada on behalf of the First Nation are included on the consolidated statement of financial position.

1. Significant accounting policies (continued):

(d) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land are amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Estimated Life - Years
Land improvements	10 - 30 years
Buildings	10 - 40 years
Infrastructure	10 - 40 years
Machinery and equipment	5 - 15 years
Furniture, computers and fixtures	4 - 10 years

Annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

(ii) Natural resources:

Natural resources that have not been purchased are not recognized as assets in the consolidated financial statements.

(iii) Works of art and cultural and historic assets:

Works of art and cultural and historic assets are not recorded as assets in these financial statements.

(e) Use of estimates:

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting periods. Significant items subject to such estimates and assumptions include the carrying amount of tangible capital assets and valuation allowances for accounts receivable and investment in business enterprises. Actual results could differ from those estimates. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

Notes to Consolidated Financial Statements

Year ended March 31, 2017

1. Significant accounting policies (continued):

(f) Prior year funding adjustments:

The First Nation has entered into accountable contribution arrangements with several government funding agencies. All such programs are subject to audit by the various governments, with audit adjustments repayable to the government.

Adjustments made under funding arrangements relating to prior years are charged to operations in the year during which the adjustments are made.

2. Cash and short-term investments:

The short-term investments consist of term deposits with a maturity date of less than a year, earn interest at 1.25% per annum and are recorded at cost of \$205,011 (2016 - \$203,554).

3. Restricted cash:

In accordance with the operating agreements between the First Nation and Canada Mortgage and Housing Corporation ("CMHC"), cash in the amount of \$137,532 (2016 - \$118,917) is restricted for this purpose. Under the agreement, the First Nation is required to set aside funding to maintain a replacement reserve bank account. As of fiscal year end, this First Nation is required to have set aside \$137,532 (2016 - \$131,634)

4. Loans receivable:

The loans receivable are secured by an assignment of wages bearing interest at rates up to 10% and require monthly payments.

5. Consolidated revenue trust fund:

	Revenue	Capital	Total
Balance, beginning of year	\$ 51,261	31,597	82,858
Interest	1,536	–	1,536
Balance, end of year	\$ 52,797	31,597	84,394

6. Investment in business enterprises:

The First Nation has a 99% interest in Odawa Stone Limited Partnership ("Odawa Stone") and a further 1% interest by virtue of its 100% investment in 2294669 Ontario Limited (the general partner for Odawa Stone). Odawa Stone is engaged in development and operation of a stone quarry. The First Nation's interest in Odawa Stone's results of operations for the year ended March 31, 2017 is included in the First Nation's consolidated statement of operations.

During the year, the First Nation provided Odawa Stone with labour, contract support, accounting services and equipment rental totaling \$143,630 (2016- \$40,844). These transactions were entered into during the normal course of operations and these transactions were recorded at their exchange amount.

15. Segmented information:

Sheshegwaning First Nation is a diversified governmental institution that provides a wide range of services to its Members, including community services, social services, education, band government, infrastructure, economic and community development, business enterprises, capital and rental housing. For management reporting purposes the First Nation's operations and activities are organized and reported by fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

Services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

Community Services

The community services department provides a wide range of support services for children and families.

Social Assistance

The social assistance department delivers a variety of programming including Ontario Works and offers employment support services. In addition, the department manages the homemakers and national child benefit programs.

Education

The education department provides services to elementary students through the operation of an on reserve elementary school for students up to Grade 8. Service contracts with provincially funded area school boards are entered into for secondary students. In addition, the department reimburses tuition costs and provides living and other allowances to students who are attending post-secondary institutions.

Band Government

The band government department oversees the delivery of all governmental services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities.

Community Infrastructure

The community infrastructure or public works department provides the First Nation with support services for the repair and maintenance of all First Nation owned assets including buildings, roads, water systems and equipment. In addition, the department arranges for fire protection services to be provided to the First Nation.

15. Segmented information (continued):

Employment and Economic Development

This department is responsible for identifying and developing economic opportunities for the benefit of the First Nation and its Members. The department also secures and delivers employment training funding for the First Nation. In addition the department manages the operations of the Complex.

Business Enterprises and Other

Business ventures undertaken by the First Nation are managed through the business enterprise department of the First Nation.

Community Property

This department is responsible for managing all capital asset activities occurring in the First Nation during the year, including housing construction and renovations as well as major projects such as water and building construction.

Social Housing

The social housing department manages the operations of the various rental housing stock owned by the First Nation including both CMHC and other housing. This includes tenant identification, rent collection and maintenance management.

For each report segment, revenues and expenses include amounts that are directly attributable to the segment and amounts that are allocated on the reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information, including transfers that have been apportioned based on a percentage of budgeted expenses.

The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in the summary of significant accounting policies.
